January 2012

Semester I, 2011-2012 Chancellor's Award Recipient: *Amanda Johnson*

It is my pleasure to recognize your fine scholastic effort during the fall semester, 2011-2012. As a result, you join a select group of students who have received the Chancellor's Award.

Universities recognize many different kinds of achievements; all are important parts of a total education. However, it has always been our feeling that scholastic achievement is the basic purpose of higher education and we want to recognize distinction in that area.

While grades in themselves do not reflect all that you have learned during your time at UW-Stout, they do signify your ability to accept challenges and come out on top. You should take pride in your accomplishment.

I urge you to continue the standard of excellence you have set for yourself in all you undertake. Both you and the university will benefit.

A press release regarding this award will be sent to your hometown newspaper. The hometown newspaper is determined by the home address, city and postal code entered upon enrollment or information indicated by the student on the Stout database. If you have any questions or concerns about the press release, please call the University Communications Office at 715-232-2381 between the hours of 8:00 a.m. and 4:30 p.m. or visit <http://www.uwstout.edu/uc/hometown.cfm>.

Congratulations on your achievement.

Sincerely,

Charles W. Sorensen
